SCHOOL READINESS

PROVIDED HIGH-QUALITY EARLY EDUCATION PROGRAMMING

Ramos had a record number of Kindergarten students register on time. In partnership with KidsPeace, Pinebrook Family Answers and Vision to Learn, Ramos held a Kindergarten Registration Event and Resource Fair to prepare incoming Kindergarten families for the first day of school. This event not only helped meet the school's registration goal of 100 students, but it exceeded the goal. In response, Ramos opened an additional Kindergarten classroom for the 2023-24 school year.

STUDENT MENTAL HEALTH

SOCIAL-EMOTIONAL LEARNING ACTIVITIES IMPROVE SCHOOL CLIMATE AND CULTURE

The leadership team rolled out school-wide Positive Behavior Interventions and Supports (PBIS), that decreased disciplinary incidents by 77%. Students earn points through Class Dojo for demonstrating skills tied to district-wide monthly Social Emotional Learning themes. The top three students/classrooms were honored and the top earning student was awarded the "You are the Light" award at the Allentown School District ceremony.

Community School strategies that support social-emotional wellness and positive culture and climate:

- Whole-school Positive Behavior Interventions and Supports program
- School Climate Survey
- Positive Attendance Campaign

STUDENT AND FAMILY ENGAGEMENT

INCREASED PARTICIPATION IN FAMILY PROGRAMS AND CONFERENCES

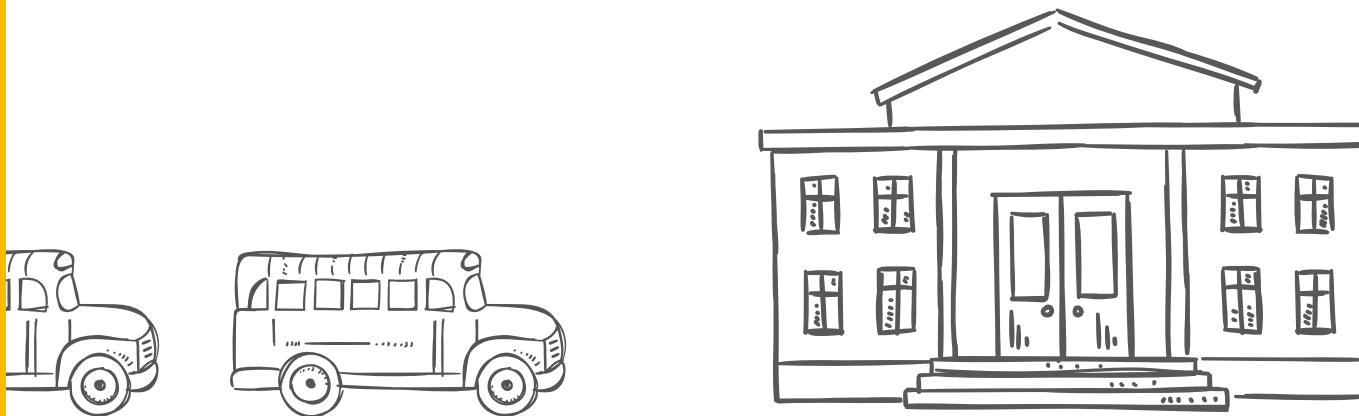

90% of parents or caregivers attended at least one parent-teacher conference.

120 STUDENTS participated in after-school enrichment programming. Ramos' program enrolled over 100 students in only two weeks.

SUMMER LEARNING

PREVENTED SUMMER LEARNING LOSS
