GENERAL DESCRIPTION

Da Vinci Science Center STEAM educators have the most fun with science, technology, engineering, arts and math (STEAM)! Work with an engaging team of STEAM educators and gain valuable experience implementing classroom education programs, science shows, and family events with in-person programs.

The Da Vinci Science Center is seeking fun, creative, knowledgeable, team-oriented, and dependable educators who enjoy working with people, learning about and teaching science, technology, engineering, arts, and math. Exemplary public speaking, organizational, and customer service skills are required. Educator will display a commitment to diversity, equity, inclusion and accessibility in all aspects of their work. There is no guarantee of minimum hours; however, up to 40 hours a week are possible. Schedules are dependent upon program assignment (Classroom Programs, Camps, Science Shows, etc.) and personal availability. Continued employment as an Outreach Educator can be an option after the summer.

SPECIFIC JOB RESPONSIBILITIES

Deliver extraordinary off-site educational programs including, but not limited to school day programs, after school programs, live science shows, science celebrations, and birthday parties across the Lehigh Valley and beyond.

- Learn the activity you will be teaching and be able to answer questions about the topic (training materials will be provided)
- Set up classroom and teach educational activities
- Exhibit positive youth development in classroom management strategies
- Make safety a priority, especially with chemicals
- Follow the established schedule for the daily events
- Actively engage all guests in learning experiences
- Attend and actively participate in training sessions to understand and implement the Da Vinci Science Center's inquiry-based approach, science content, and effective presentation techniques
- Incorporate feedback into future lessons
- Clean classrooms after each program (put supplies away, wash goggles, wipe tables, sweep floor if needed)
- Must be able to carry totes with materials (up to 50 pounds) from place to place
- Monitor supplies and report shortages

- Other duties as assigned (deliver exhibit floor education, program development, etc.)
- Participate in educational and promotional outreach events
- Proactively provide guests with information about the Center and its offerings

QUALIFICATIONS AND EXPERIENCE

Education: High school graduate or equivalent. Some college level education and/or science, technology, engineering, arts, or math courses preferred.

Required Experience: Working with preschool or school age children.

Preferred Experience: Facilitating science, technology, engineering, arts or math programs for all ages, customer service

Required Skills: Bilingual (English and Spanish). Present engaging programs, creative, effective team member, ability to problem solve independently, proficient in word, excel, and other online productivity tools, knowledgeable about STEAM subjects, excellent written and verbal communication skills, cultural competency, adaptability to unique situations

Preferred Skills: Expertise in either Science, Technology, Engineering, Arts, or Mathematics, knowledge of effective STEAM teaching techniques

PHYSICAL DEMANDS OF THIS JOB

These physical demands are representative of the physical requirements necessary for an employee to successfully perform the essential functions of this job. Reasonable accommodation can be made to enable people with disabilities to perform the described essential functions of the STEAM Educator job.

While performing the responsibilities of the STEAM Educator job, the employee is regularly required to talk and listen. The employee is frequently required to be on their feet for up to five (5) hours at a time; stand; walk; sit; reach with arms and hands; climb or balance; stoop, kneel, crouch or crawl; move or lift at least 50 pounds. The employee is occasionally required to taste and smell; perform repetitive motions; use eye, hand and foot coordination. Vision abilities required by this job include close vision (close vision at 20 inches or less), distance vision (clear vision at 20 feet or more), peripheral vision (ability to observe and area that can be seen up and down or to the left and right while eyes are fixed on a given point), depth perception (three-dimensional vision, ability to judge distances and spatial relationships), and ability to adjust focus (ability to adjust the eye to bring an object into sharp focus).

WORK ENVIRONMENT OF THIS JOB

While performing the responsibilities of the job, these work environment characteristics are representative of the environment the STEAM Educator may encounter. Reasonable accommodations may be made to enable people with disabilities to perform the essential functions of the job.

While performing the duties of this job, the employee is occasionally exposed to outdoor weather conditions; and required to wear protective equipment including lab coat, glasses and gloves. Employee may be required to use chemicals with Material Safety Data Sheets provided. Employee may be required to use high voltage electricity. Employee may need to use very hot or very cold liquids. The noise level in the work environment is usually moderate.

REQUIREMENTS

Successful completion of a criminal background check including checks through Pennsylvania State Police, Federal Bureau of Investigation, and Pennsylvania Child Abuse Registry. Additional clearances may be required as changing regulations are implemented.

Successful candidates will need a valid Driver’s License and proof of Auto Insurance coverage. It is preferred that candidates have a reliable vehicle that can be used for outreach programs. Employees are reimbursed for travel.

CONCLUSION

This job description is intended to convey information essential to understanding the scope of the Part Time Educator position and it is not intended to be an exhaustive list of skills, efforts, duties, responsibilities or working conditions associated with the position. Management reserves the right to revise duties as needed.
