

**Chief Philanthropy Officer
The Da Vinci Science Center
Allentown, Pennsylvania**

The Da Vinci Science Center seeks an experienced fundraiser to lead an ambitious private fundraising campaign to create a world class new Science Center in downtown Allentown and expand its educational programs and impact. The Chief Philanthropy Officer will have overall responsibility for fundraising at the Da Vinci Science Center, including annual and capital fundraising programs, planned giving, donor cultivation, stewardship, and building a strong fundraising team. They will manage a portfolio of leadership and major gift prospects. A strong candidate will have a minimum of 10 years fundraising experience, with five or more in a leadership role; demonstrated success building relationships with prospects and securing five and six figure gifts; and passion for the Science Center's mission. Bachelor's degree required; CFRE desirable. Campaign experience preferred.

The salary range is \$90,000 to \$100,000. Qualified applicants should send cover letter, resume, and salary requirements to careers@davincisciencecenter.org. For more information about this position go www.davincisciencecenter.org/about/jobs-and-internships/.
