Message from the President

The Lehigh Valley is a stronger, healthier place to live and work because of the kindness and generosity of people like you.

Your leadership opens the doors of opportunity for a better community—one where our kids can receive a good education, our seniors are cared for, our families have healthy food on the table every day and everyone has access to emergency services during times of crisis.

When you give what you can, advocate for your favorite cause or volunteer your time, you are making a real impact on the lives in our community. Your efforts, combined with all the other generous donors in the Lehigh Valley, create long-lasting change. That’s what it means to LIVE UNITED!

On behalf of the Board, staff and hundreds of volunteers, thank you for all that you do for the Lehigh Valley. We are all proud to serve our community with you.

With warmest regards,
David Lewis
