Strengthening a community takes time, commitment and resources. Change requires tough choices to be made. When it comes down to it, you want to help everyone. And when you **LIVE UNITED**, you can.

Your United Way is committed to fighting for every person in the community. We’re here to make those difficult choices easier for you.

Because of your generosity, we see the good work being done every day. You are truly transforming the lives of thousands of your friends, families and neighbors.

On behalf of the Board, staff and hundreds of volunteers, we are all proud to serve our community with you. Thank you for choosing to care – thank you for **LIVING UNITED**.

With warmest regards,

David S. Lewis

YOUR UNITED WAY
United Way of the Greater Lehigh Valley (UWGLV) seeks to improve lives and community conditions. We do this by: ASSESSING the needs of the community, RAISING funds and INVESTING in programs, MOBILIZING partners to action and MEASURING results.

COMMUNITY IMPACT GOALS – BY 2022
To address these needs, our Board of Directors challenged us to create community impact goals for positive, long-lasting change in our community.

OUR COMMITMENT TO THE COMMUNITY
- Increase the number of third grade students reading at grade level by 50%.
- Decrease the number of food insecure residents in the Lehigh Valley by 50%.
- Increase the number of seniors whose basic needs are met at home by 50%.
- Invest in critical emergency services – disaster relief, crisis programs, and housing and shelters.

A COLLECTIVE IMPACT STRATEGY
Our 2014–18 Investment Plan supports multiple community partners focused on a common goal to improve the lives of people in the Lehigh Valley through education, food access, healthy aging and emergency services.

**22 Community Schools by 2022**
2022 Goal: Increase the number of third-grade students reading at grade level by 50%.

The Lehigh Valley has turned the curve and third grade students reading on grade level has increased by four percentage points from 62% to 66%. From the 2014–15 to the 2015–16 school year, the percentage remained steady, noting the first time in five years that third grade reading proficiency didn’t decline. It is our goal for that to grow to 81% by 2022.
