Message from the President

Thank you for all that you do. Your leadership makes this community a better place to live, work and play—one where our kids can receive a good education, our seniors are cared for, our families have healthy food on the table every day and everyone has access to emergency services during times of crisis.

While big challenges still exist within our community, we know with dedicated people like you, we’re able to continue making a positive impact to turn these challenges into opportunities.

Because of your generosity, we see the good work being done in the community every day. You are truly transforming the lives of thousands of your friends, families and neighbors.

On behalf of the Board, staff and hundreds of volunteers, we are all proud to serve our community with you. Thank you for caring.

With warmest regards,

David Lewis
