Center for Humanistic Change, Inc.
Board membership opportunities

The Center for Humanistic Change (CHC) located in Allentown PA has been serving Lehigh and Northampton counties for 42 years. The mission is to give people, especially youth, the knowledge and tools they need to make better-informed and more positive life choices through the interactive delivery of prevention education and evidence-based programming. Our core business involves delivering life skills training and alcohol and drug prevention education, mentoring, and helping connect people to available community resources.

The Board of Directors is the governing body for the organization, making decisions about the mission, financial objectives and programming. Board members participate on committees such as finance, administration, board development, resource development, etc. Our ideal Board size is fifteen members.

Board prospects are reviewed by the Executive Committee prior to being approved by the full Board. We continually look for members who will represent the diverse populations we serve and bring their expertise and new perspectives to guide the organization. Particular expertise or interest in these areas is desirable: legal, finance/accounting, human resources, technology, fundraising and marketing. Our upcoming recruitment review will be for 2024 membership.

When responding, please include a short paragraph about yourself and your interest, as well as your employer and work title.

Visit our website at www.thechc.org to learn more about our nonprofit organization.

For additional information on Board membership, contact executive director Kristen Hettrick at khettrick@thechc.org.

NOTE: *The Center for Humanistic Change, Inc. in Allentown IS NOT affiliated in any way with the organization of the same name in New Jersey.*
